## Editor`s Note

Hello Guardian Bees!

Can you believe we have school now? It felt like summer flew by a blink of an eye. Now that it is September, it is time to recruit those new members! We are now approaching another year of high school so give it your best because it will fly by.

Start fundraising for the Pediatric Trauma Program because Fall Rally North is approaching! This annual event is the perfect way to begin the school year so I hope to see you all there.

Remember to build those study groups and focus in school. Even if your accidently fall off the wrong path, pull yourself together and I know you will be able to get it back together. You are truly a guardian bee so keep on inspiring others because you are a leader.

# Articles and Visuals Spotlight

In effort to raise awareness about crime and safety, the City of Sacramento Neighborhood Services organized National Night Out on the evening of August 4th, in unison to the hundreds of towns and cities who were hosting their own National Night Out that evening. Key Clubbers did their part to help out their neighborhood by distributing snacks to those who attended the event. Key Clubbers and neighbors were able to build a sense of trust with each other, improve their relationship with the police, and find out how they can prevent crimes. All in all, National Night Out was a symbol to criminals around that the neighborhood is uniting itself to fight crime.
