Hello Guardian Bees!

July has passed by and now it is August! Although school is quickly approaching, we still have a few weeks before all the stress comes rushing back. For those that are seniors, start planning for your personal statement and create a quick guideline on how to plan out your senior year. If you get senioritis, you can always get back on your feet. Don't let your three years go to waste just because it is your senior year. As for my younger bees, senior year will come back in a blink of an eye. All your hard work will pay off! Don't have procrastination lead your life, rather lead your own because all of you are leaders.

I hope everyone is making the best out of their summer by relaxing and just taking a break from their normal, stressful life. If you ever get lost, know that as an Ohana, we as a division will come help put your path back together so do not be afraid to ask for help. So keep up that amazing service and go out there to make a difference in your home, school, and community!

Message from your Lt. Governor!

Hello Bees, Did you enjoy your summer so far? I know it is an amazing time to relax from all the work and stress at school. Summer can be fun with all the summer plans and vacation, but there are also times where boredom can get the best of you! So why not defeat those boredom by going out and serving the communities around you!

You can start by cleaning up your school, picking up trash at a local recreation, or simply attend Kiwanis meeting and DCMs! Reach out to your home club about attending service events and meetings. Look out for district and international initiatives on the Cyberkey. There are a lot of fun ways that you can incorporate service into the long months of summer. Don't let the urge of sleeping in and Netflix binging stop you from obtaining service hours and serving the communities. Go out there and search for ways that you can rescue the communities! What will YOU do this summer help the communities and be the Guardian of Service?!

District Updates

District Newsletter

Created monthly on cnhkeyclub.org

What better way to see what other clubs and divisions are doing than the district newsletter; It allows member and officers to see what is going on with the district and how to get more involved. It would update you on events such as District Convention and Fall Rally!

Spotlight of Service Program (SOSP)

July Focus: Go Outdoor

August Focus: Children Education

The SOSP was created by the Service Project Committee to promote District and International initiatives. You can showcase your participation by finding the form on Cyberkey and emailing it to cnhkc.sp@gmail.com

Reminders

Articles and Visuals

Submit articles and visuals by the 13th of every month by 6 p.m.

For visuals, please include a short caption (1-2 sentences) about the event you are at. Please make sure, members are WORKING or PARTICIPATING in the event and NOT cute group shots.

For articles, please reminder to include, WHERE is the event, WHO went to the event (# of members), WHAT made the event so special, HOW did you feel after the event, AND anything else you can think of!

Monthly Report Forms (MRF)

Early Bird submission is by the 1st of every month by 6 p.m.

On time submission is by the 5th of every month by 6 p.m.

Although it is still summer, please remember to send in the MRFs monthly because it allows the Division Leadership Team to reflect on how we can help you become a better leader for those that we serve.

Fundraise

Fundraise for Key Club`s preferred charities, Fall Rally North, and the club that you serve.

Summer is a great time to fundraise because one can thoroughly plan out the fundraiser event and people can plan meetings or hangouts at the fundraising location. It would allow the club that you serve a great foundation to start of the school year.
